A sneak peak of some brand-new Mini Club + activities to come:

## *Ninja Bootcamp*

What if obstacles were there just to be overcome? The first part of this activity requires imagination as the children design their own obstacle course. Then comes the moment of truth when our little ninjas rise to the challenges they've just created. It's all about helping to build self-confidence through sports

**Confidence Cheerfulness**

## *Happiness Expo*

A sharing time for kids and parents, where our young heroes can share the best moments of their eventful day at Mini Club Med +, new friends, new skills, challenges won, first times ... Encouraging bonding, recognition and sharing memories, bringing everyone a sense of pride and joy

**Connection Confidence**

## *Giant Caterpillar*

Using a gym mat, this activity is all about team effort. The children need to work together to get the caterpillar moving. It is as fun for the kids as for anyone who crosses the path of this amusing caterpillar

**Cooperation Cheerfulness**

## *Hero's Parade*

Who needs a mask and cape if they've got imagination? Children think of the superpower they dream of having. They then mime it to their friends so that they can guess what it is. It's a great way to express themselves and boost their self-confidence

**Confidence Courage**

## *Zen Tales*

Breathe in and slow down with a combination of storytelling and yoga poses. Accompanied by the G.O's, calm relaxation and imagination are at play for children to unwind and enjoy great tales

**Creativity Connection**

# Rediscover Club Med Cherating Novelties

The Turtle Sanctuary exhibition area is currently closed for renovations from 16<sup>th</sup> October 2023 (est. 2025) until further notice.  
Turtle Sanctuary tour will be replaced with Botanical Walk during the monsoon season (17<sup>th</sup> October – February 2024)

## Turtle Sanctuary

The Cherating Turtle Sanctuary, established by the government, safeguards Malaysia's four main turtle species: Olive-Ridley, Leatherback, Green, and Hawksbill. These turtles are vital to the local marine ecosystem but face endangerment from various threats.

From April to September, the turtles lay their eggs on the beach, which the sanctuary's staff collect for protection and incubation in a hatchery. Once hatched, the young turtles are returned to the sea.
